Section 6. Execution of Bond. The Bond shall be executed on behalf of the District with the manual or facsimile signatures of the Chair of the Board and Secretary of the District. Only such Bond as shall bear thereon a Certificate of Authentication in the form hereinbefore recited, manually executed by or on behalf of the Bond Registrar or its duly designated agent, shall be valid or obligatory for any purpose or entitled to the benefits of this resolution.

In case either of the officers who shall have executed the Bond shall cease to be an officer or officers of the District before the Bond so signed shall have been

authenticated or delivered by the Bond Registrar, or issued by the District, such Bond may nevertheless be authenticated, delivered and issued and upon such authentication, delivery and issuance, shall be as binding upon the District as though those who signed the same had continued to be such officers of the District. The Bond may also be signed and attested on behalf of the District by such persons who are at the actual date of delivery of the Bond, the proper officers of the District although at the original date of the Bond any such person shall not have been such officer of the District.

Section 7. Application of Bond Proceeds. The proceeds of the Bond shall be deposited in the Expense Fund of the District and used to pay the costs of the Project and costs of issuance.

Section 8. Pledge of Funds and Credit. To pay principal of and interest on the Bond as the same shall become due, the District hereby irrevocably covenants that it will deposit money in the Bond Fund in amounts sufficient to pay the principal of and interest on the Bond. The District hereby further irrevocably covenants that, unless the principal of and interest on the Bond are paid from other sources, it will make annual levies of taxes upon all of the property within the District subject to taxation within and as a part of the tax levy permitted to the District without a vote of the electors in amounts sufficient to pay such principal and interest as the same shall become due. The full faith, credit and taxing power of the District are hereby irrevocably pledged for the prompt payment of such principal and interest.

Section 9. Tax Covenants; Special Designation. The District hereby covenants that it will not make any use of the proceeds of sale of the Bond or any other funds of the District that may be deemed to be proceeds of such Bond pursuant to Section 148 of the

Code that will cause the Bond to be an “arbitrage bond” within the meaning of said section and said regulations. The District will comply with the requirements of Section 148 of the Code (or any successor provision thereof applicable to the Bond) and the applicable Regulations thereunder throughout the term of the Bond.

The District further covenants that it will not take any action or permit any action to be taken that would cause the Bond to constitute a “private activity bond” under Section 141 of the Code.

The District hereby designates the Bond as a “qualified tax-exempt obligation” for purchase by financial institutions pursuant to Section 265(b) of the Code. The District does not anticipate that it will issue more than \$10,000,000 in qualified tax-exempt obligations during the year 2021.

Section 10. Sale of the Bond.

(a) *Bond Sale.* The Bond shall be sold to the Bank pursuant to the terms of the Bond Purchase Contract. The Designated Representative is hereby authorized to negotiate terms for the purchase of the Bond and to execute the Bond Purchase Contract, with such terms as are approved by the Designated Representative pursuant to this section and consistent with this resolution. The Board has been advised that market conditions are fluctuating and, as a result, the most favorable market conditions may occur on a day other than a regular meeting date of the Board. The Board has determined that it would be in the best interest of the District to delegate to the Designated Representative for a limited time the authority to approve the final interest rates, mandatory redemption provisions, if any (provided that the Bond shall be subject to

optional redemption not later than 10.5 years from date of issue), maturity dates, aggregate principal amount, and other terms and conditions of the Bond.

The Designated Representative is hereby authorized to approve the final interest rates, mandatory redemption provisions, if any (provided that the Bond shall be subject to optional redemption not later than 10.5 years from date of issue), maturity dates, aggregate principal amount, in the manner provided hereafter so long as:

- (i) the aggregate principal amount of the Bond does not exceed \$1,700,000; and
- (ii) the interest rate for the Bond may not exceed 5.0% and the true interest cost for the Bond does not exceed 5.0%.

In determining the final interest rates, mandatory redemption provisions, if any (provided that the Bond shall be subject to optional redemption not later than 10.5 years from date of issue), maturity dates, aggregate principal amount, principal amounts and prices of each maturity, the Designated Representative, in consultation with District staff, shall take into account those factors that, in his or her judgment, are best compatible with the needs of the District and will result in the lowest true interest cost on the Bond to its maturity, including, but not limited to current financial market conditions and current interest rates for obligations comparable in tenor and quality to the Bond. Subject to the terms and conditions set forth in this section, the Designated Representative is hereby authorized to execute the final form of the Bond Purchase Contract. Following the execution of the Purchase Contract, the Designated Representative shall provide a report to the Board, describing the final terms of the Bond approved pursuant to the authority delegated in this section. The authority granted to the Designated Representative by this

section shall expire on June 30, 2022. If a Bond Purchase Contract for the Bond has not been executed by June 30, 2022, the authorization for the issuance of the Bond shall be rescinded, and the Bond shall not be issued nor their sale approved unless the Bond shall have been re-authorized by resolution of the Board. The resolution reauthorizing the issuance and sale of the Bond may be in the form of a new resolution repealing this resolution in whole or in part or may be in the form of an amendatory resolution approving a Bond Purchase Contract or establishing terms and conditions for the authority delegated under this Section 10.

(b) *Delivery of the Bond; Documentation.* Upon the adoption of this resolution, the proper officials of the District including the Designated Representative, are authorized and directed to undertake all other actions necessary for the prompt execution and delivery of the Bond to the Bank and further to execute all closing certificates and documents required to effect the closing and delivery of the Bond in accordance with the terms of the Bond Purchase Contract.

The Designated Representative and other District officials, agents and representatives are hereby authorized and directed to do everything necessary for the prompt issuance, execution and delivery of the Bond to the Bank and for the proper application and use of the proceeds of sale of the Bond. In furtherance of the foregoing, the Designated Representative is authorized to approve and enter into agreements for the payment of costs of issuance, including the fees and expenses specified in the Purchase Contract, and for other retained services, including Bond Counsel, fiscal agent, and other expenses customarily incurred in connection with issuance and sale of bonds.

Section 11. No Undertaking to Provide Ongoing Disclosure; Information to Bank.

The Bond is not subject to Rule 15c2 12 of the Securities and Exchange Commission under the Securities Exchange Act of 1934, and the District makes no undertaking regarding ongoing disclosure with respect to the Bond.

The District shall provide the Bank the information when and as specified in the Bond Purchase Contract for as long as the Bond is outstanding and held by the Bank.

Section 12. Lost, Stolen or Destroyed Bond. In case the Bond shall be lost, stolen or destroyed, the Bond Registrar may execute and deliver a new Bond of like date, number and tenor to the Bank thereof upon the Bank's paying the expenses and charges of the District and the Bond Registrar in connection therewith and upon his filing with the District evidence satisfactory to the District and the Bond Registrar that such Bond was actually lost, stolen or destroyed and of his ownership thereof, and upon furnishing the District and Bond Registrar with indemnity satisfactory to the District.

Section 13. Resolution and Laws a Contract with the Bank. This resolution is adopted under the authority of and in full compliance with the Constitution and laws of the State of Washington. In consideration of the loan made by the Bank, evidenced by the Bond, the provisions of this resolution and of said laws shall constitute a contract with the Bank, and the obligations of the District and its Board under said laws and under this resolution shall be enforceable by any court of competent jurisdiction; and the covenants and agreements herein and in the Bond set forth shall be for the equal benefit of the Bank and any permitted transferee or assignee.

Section 14. Severability. If any one or more of the covenants or agreements provided in this resolution to be performed on the part of the District shall be declared by

any court of competent jurisdiction to be contrary to law, then such covenant or covenants, agreement or agreements, shall be null and void and shall be deemed separable from the remaining covenants and agreements of this resolution and shall in no way affect the validity of the other provisions of this resolution or of the Bond.

Section 15. Effective Date. This resolution shall become effective immediately upon its passage and approval.

APPROVED by the Board of Commissioners of Clark-Cowlitz Fire Rescue, Clark and Cowlitz Counties, Washington, at a regular meeting thereof held this 18th day of November, 2021.
