

# Fire Station Tour Request

Clark-Cowlitz Fire Rescue is pleased to receive your request for a Fire Station tour. Basic Tour Guidelines:

Due to our many responsibilities, all tours must be requested 14 days before the desired tour date. This allows our Captains & Chiefs to determine if the tour will fit into the daily training schedule. One adult chaperone is required for every 7 children. Tour hours are normally between 1000-1600. Evening tours may be scheduled at the discretion of the on-duty Captain.

Examples:

1-6 children, one adult is required.

7-12 children, two adults are required.

13-18 children, three adults are required

19-25 children, four adults are required.

**Groups of 30 or more need to use Fire Engine Visit Requests form for visits to your location.**
